PROFESSIONAL SUMMARY

AI & Machine Learning undergraduate with strong expertise in Data Analytics, Business Intelligence, and Machine Learning. Proficient in Power BI, Python, Excel, DAX, and Power Query with hands-on experience delivering interactive dashboards and data-driven solutions. Passionate about transforming complex data into actionable business insights.

TECHNICAL SKILLS

Programming & Core: Python, Machine Learning, Data Analysis

Libraries: NumPy, Pandas, Matplotlib

Web Development: HTML, CSS, JavaScript, Flask

Tools & Platforms: Microsoft Excel, Power BI, DAX, Power Query, GitHub

WORK EXPERIENCE

Data Analytics Intern | Logirtha Technologies, Thanjavur

Dec 2025

- Analyzed datasets using Excel and Python to derive meaningful business insights.
- Performed data cleaning, preprocessing, and visualization to support data-driven decision-making.
- Strengthened analytical, problem-solving, and data interpretation skills in a professional environment.

PROJECTS

CampusIQ – AI-Powered Placement Intelligence System

Power BI

- Built an interactive Power BI dashboard analyzing placement KPIs, charts, and slicers for Total Students, Placement Rate, Average/Highest Package, and company-wise placements.
- Used Power Query for data transformation and DAX for KPI calculations and custom measures.

AI-Based Automated Multi-Slot Timetable Generation System

Python (Flask), HTML/CSS/JS

- Developed an AI-based system using constraint optimization to generate conflict-free academic timetables.
- Built a Flask web application and presented the project at academic conferences.

Sales Analytics Dashboard

Power BI

- Developed an interactive dashboard to analyze sales, profit, and quantity across categories and regions.
- Implemented dynamic filters and slicers to identify business trends and performance insights.

EDUCATION

B.Tech – Artificial Intelligence & Machine Learning

2023 – 2027

Dhanalakshmi Srinivasan University, Tiruchirappalli

Higher Secondary (Class XII)

2023

Jegan Matha Matriculation Higher Secondary School, Tiruchirappalli

CERTIFICATIONS

HP LIFE – Data Science & Analytics (2026) – Data science fundamentals, analytics methodologies, and business applications.

Responsible AI: Applying AI Principles with Google Cloud – Simplilearn (2026) – AI ethics, fairness, and governance using Google Cloud.

Introduction to Data Analytics – Simplilearn SkillUp (2026) – Foundational data analytics, interpretation, and analytical techniques.

Python Programming Workshop – IIT Madras – Python programming fundamentals and data handling.

AI/ML Workshop – IIT Madras – Machine learning fundamentals and real-world AI applications.
